Executive Summary

Data-driven Finance and Indirect Tax Professional with experience in GST compliance, litigation support, and financial analysis at BDO India and RBI. Skilled in GST returns, reconciliations, regulatory research, and advanced Excel-based automation.

Professional Experience

Article Assistant (Indirect Tax Advisory) – BDO India Service Pvt Ltd, Bengaluru (Dec 2025 – Current)

Registration Support

- Filed ***GST REG-01*** applications and tracked their status, addressing objections and clarifications raised by the department.
- Drafted responses to ***GST REG-03*** queries and deficiency memos, ensuring smooth approval of registrations.
- Drafted replies to ***Show Cause Notices (SCNs)*** issued due to discrepancies in ***core field and non-core field amendments***, ensuring factual clarity and compliance with GST regulations.

GST Monthly Compliance

- Handled monthly GST compliances such as ***GSTR-1, GSTR-3B & GSTR-6 (ISD) Returns*** by performing complete reconciliations of book filings for multiple clients, maintaining high accuracy and timely submissions.
- Preparing ***Monthly reconciliation*** between Inward Register and 2B, conducted 3 step verification in GSTR-1 & GSTR-3B to maintain accuracy by using ***pivot table, Power Query and Automation sheet BI***.

Litigation Support

- Attended more than ***10 GST Personal Hearings (PH) for ADT 01 and SCNs*** for companies with ***turnover above ₹530 crore***, helping clients reduce ***tax exposure by over ₹10 crore***. Worked in Refund litigation like **RFD-03**.
- Provided IDT advisory on audit observations and the GST impact of ***inter-company and transfer pricing*** transactions.
- Drafted detailed replies for GST notices and appeals including ***ADT 01, ASMT 01, and DRC-07*** matters, ensuring accurate representation of facts and legal positions.

Annual Compliance

- Utilized advanced Excel functions such as ***VLOOKUP/XLOOKUP, INDEX-MATCH, SUMIFS, Pivot Tables*** *and* ***Power Query*** to analyse data, reconcile returns and streamline compliance workings.
- Prepared GSTR-9 and GSTR-9C working (System Generated Reconciliation) and filed in GST Portal through JSON generation with complete accuracy and error free.

Finance Intern – Reserve Bank of India, Bengaluru (June – Nov 2024)

Research

- Assisted in conduct of data-driven evaluations of ***deposit mobilization, lending patterns, sectoral credit facility usage and current core banking system (CBS)***, risk detection mechanism, and regulatory reporting frameworks by clients and customers.

Survey

- Reviewed ***core banking and payment system data*** for transactions volume, settlement flows across local regional ***HO branch of SBI***.

Student Intern – Accenture, Kolkata (Hybrid) (Jan – Mar 2022)

- Gained hand-on experience in finance reporting like ***Schedule III formats, business process analysis and financial reporting***.
- Assisted in improving operational strategic decision making through usage of different strategic frameworks like ***BCG Matrix, Balanced Scorecard (BSC), Blue Ocean strategy***.
